

**SY 24-25 PROFESSIONAL DEVELOPMENT OPPORTUNITY
RURAL SPECIAL EDUCATORS**

The True Measure Collaborative (TMC) and the Rural Alliance (RA) are pleased to offer Washington state rural school districts job-specific professional development for Special Education teachers in the 2024-25 school year. This offering provides Special Education teachers in rural districts an opportunity for skill-building professional development and connectivity with other professionals in similar roles across the state.

Supporting the job-specific needs of Special Educators is critical to ensuring both compliance and best practices for reaching all students.
